Averages:

75 Coming Two-Year-Old Bulls.....\$2,902  
65 Commercial Open Angus Heifers .....\$582  
52 Commercial "Spear U Genetics" Bred Heifers ....  
.....\$1,039

The Spear U Angus Ranch owners, Greg and Lori Shearer and family hosted a great group of cattlemen and friends for their annual production sale at the ranch, north of Wall, SD.

This sale was the 26th annual sale for the Spear U Angus Ranch and these genetics represented cattle that were developed slowly

and raised with the commercial rancher in mind. This was a fast-paced sale with many repeat customers demanding ownership of the offering. The bulls sold in everyone's price range and it was a great sale for both buyers and sellers.

Topping the sale was Lot 79, selling to Don Fish, Buffalo Gap for \$7,000. This 1-23-08 son of Connealy Spring Break posted a birth wt. of 98, weaning wt. ratio of 106, yearling wt. ratio of 114, ADG 4.11, scrotal cm 39.6, and EPDs of BW 3.2, WW 49, M 24, YW 105.

Bornes Angus, Hazel, SD, paid \$6,250 to own Lot 21. This 3-11-08 ET son of OCC Legend 616L out of a Rito 6I6 bred female posted a weaning wt. of 775, scrotal cm. of 41.3, actual wt. November 11, 2009 of 1,875,

and EPDs of BW 0.5, WW 42, M 12, YW 74.
